## PASTOR'S COLUMN

On Sunday, November 13<sup>th</sup>, we will hold our annual Voter's meeting at 6:00 p.m. All members of PWC are invited to attend this yearly meeting. We will elect new council members and approve the budget for 2012 and discuss any other business that might come up.

In our by-laws it states that nominees for church council can come from the congregation. If you have someone to submit, their names must be in by the 30<sup>th</sup> of October. They must have previously consented to serving on the council and will then be placed on the ballot. The church council also will have names to present for the two open positions. Please let me know if you would like to nominate someone.

In Christ,

Pastor Hiller

## PRAYER FOCUS

In the next two weeks, we lift up in prayer our whole church community, that we may grow strong in our relationship with Jesus, one another and our community. Pray that PWC would bring the light and hope of the Gospel to our community. Also, pray for our nation and community, and its leaders, as we elect new leaders. Pray for the Holy Spirit to direct the election process and for the provision of government leaders that will truly help us to be one nation under God.

## CELEBRATION AND THANKSGIVING

We celebrate the ministry of Lutheran Family Services and, through our support and partnership with them, the many lives we can touch with the love, care, and support of Jesus in the Denver Metro area.

**SUNDAY MORNING ADULT LEARNING OPPORTUNITIES****9:15 a.m.:**

*"Beloved: Heroes of the Faith"* - In an era of indifference, we look to examples of men and women in the Bible who overcame extraordinary difficulties. Their stories show that God chooses ordinary people to do His extraordinary work. Come and learn from Adam and Eve, Abraham, Jacob, Joseph and more. John Johnson is the moderator for this six-week course, meeting in the Library.

*"Faithful, Abundant, True"* - This seven-week, video-based women's study features Christian authors and speakers Kay Arthur, Priscilla Shirer, and Beth Moore as they help women discover how to build these attributes into their daily lives. Grow deeper in your relationship with God and discover the depth of His love. Janet Hiller is the moderator for this class, meeting in Room 23.

*"Doing the Right Thing"* - This six-session, video-based study from author, speaker, and radio commentator, Chuck Colson, examines how ethical and character issues relate to your life at home, school, and the workplace. Panel discussions, interviews, and live student questions guide this stimulating dialogue. Explore how we make moral choices in a world full of options. Dave Dibbern is the moderator, meeting in Room 20.

*"Running the Rapids"* - This six-week, DVD/discussion group, featuring Dr. Kevin Leman, is designed to help parents guide teenagers through the turbulent waters of adolescence. Parents will find support and practical, biblically sound guidance on being loving, caring and effective parents to their teens. Carol Roberts is the moderator, meeting downstairs in Room 8.

*"The Challenge of Islam: Part 2"* - In this six-week, video-based study, Sam Shamoun, an Arab-Christian, examines key texts from the Qur'an and the Bible. Among the items he sheds light on are Islamic presuppositions concerning the priority of the Qur'an, Bible texts considered corrupt by Muslims, the sonship of believers, and Islam's position on the Trinity. If you did not attend "Part 1", you can still attend "Part 2". John Strauch will be the facilitator, meeting downstairs in Room 9.

*"Courageous Living"* - This four-week study is based on the recent movie *"Courageous"*, using clips from the movie, and is designed to challenge you to live courageously for the sake of your family. Topics include Fighting for Your Family, Valuing What Matters Most, Impacting Future Generations, and Standing for Christ. You do not have to have seen the movie to attend. Brian Patton is the moderator, meeting downstairs in Room 10.

**FOOD CLOSET BENEFIT CONCERT**

On Friday, November 11<sup>th</sup>, the PWC Food Closet will host a special Benefit Concert for Ms. Terry Alexander, Director of **Loving Hands Ministry**. For the past seven years, PWC has supported their ministry outreach efforts as one of our mission agencies and the Food Closet receives all of our fresh produce from them. This has greatly helped the Food Closet be one of the very few that give their clients fresh produce on a weekly basis. Ms. Alexander has undergone multiple cancer surgeries the past six months and her medical bills are overwhelming. The concert will feature three different musical groups: **PS333**, a rock guitarist; **Jeffrey N. Boyles**, a classical keyboardist; and **Soul'd Out**, a teen girl duet with contemporary Christian songs. The concert will start at 6:00 p.m. and the nursery will be available. The suggested donation for tickets is \$15 per person or \$40 for a family of three or more. For more information, please contact Don Fowler at 303-798-3410 or [DFowl3@aol.com](mailto:DFowl3@aol.com).

**VIEW FROM THE EAGLES' NEST**

**PWCCS**

Our 1<sup>st</sup> grade class recently finished learning about Moses, Joshua and the Children of Israel. They constructed an Ark of the Covenant to go ahead of them as they crossed the Jordan River on dry ground. They even raised an altar using 12 stones for the 12 tribes of Israel. What a great way to remember God's promises fulfilled!

Which planets are the largest? How many moons revolve around Jupiter? What composes the rings of Saturn? In 4<sup>th</sup> grade, students finished their study of our Solar System, complete with models of the planets and their moons. These projects can be seen at our curriculum fair that will take place in the Spring. 4<sup>th</sup> graders will use the information from their research to put together a power point presentation to be given to the members of their class. Technology at work in the classroom!

Everybody loves a mystery! The "Mystery Festival" unit for the 8<sup>th</sup> graders combines mystery and investigation in a highly exciting, engaging, and educational experience. After observing a crime scene, students will gather information/clues and check their theories by running a set of forensic tests that include a flame test, as well as attempting to lift fingerprints using superglue. Finally, our detectives will attempt to match the evidence and explain what they think happened. Good luck to potential future NCIS members!

**THANKS FROM THE FIELDS FAMILY**

Our family thanks you all so much from the bottoms of our heart. It was very hard to go through the trauma of the fire and losing everything, but you all have made it so much easier. You all are such loving people. Thanks again so much. We really appreciate everything and are so grateful. With Love, Jennifer, Timmy, Jakob, and Jamey Fields. Bless you all.
