

THE EAGLES' NEST

Peace With Christ Christian School

Awesome news for our ELC! This week marked the second stage of our Accreditation journey with an on-site Validation Team. Their mission was to confirm that everything we outlined in our Self Study Document is actually happening here. After conducting interviews with our staff, parents, and students, and spending time observing our classrooms, they were absolutely thrilled with what they found. In fact, they discovered we're doing even more than we initially recognized! The Validation Team reported that our ELC scored an incredible 94.62% in their assessment of our practices. This is a huge accomplishment for our dedicated ELC Staff! Because of their findings, they are recommending Accreditation for our ELC, and the process will now move forward to the District and National levels for official approval. We're expecting to hear this official confirmation around the middle of August. Please join us in celebrating this fantastic achievement with our amazing A+ Staff!

Blessings,
